Experience & Achievements.

Founder, Manager

Studio d'Architecture, d'Images, et de Design / Nord-Pas-de-Calais / France

- Designed over 100 projects in renovation-construction, all phases, including high-end villas, high-yield real estate developments, and retail concepts, all successfully approved.
- Introduced VR communication tools, reducing travel costs by 40% and meeting times by 80% with recorded project presentations accessible via clients' online profiles.
- Managed budgets from 10k to 2M, delivering results within deadlines and financial constraints.

Project Owner, DIY Self-Builder

Complete renovation of a 100m² house / Nord-Pas-de-Calais / France

- Mastered over 10 manual works, personally renovating the home and demonstrating expertise in hands-on building.
- Reduced costs by 70% through use of upcycled materials and locally sourced resources, showcasing sustainable design expertise.
- Transformed residential property into one of the most desirable on the block, increasing market value by 300%.

3D Visual Artist, Co-Founder

Hexapixel / Casablanca / Morocco

- Produced architectural renderings for five international firms, earning recognition from [VW Art Club](#).
- Supervised daily operations across four countries, ensuring on-time delivery and client satisfaction.

Architect, Design Director, Project Manager

TAF Architecture / Kayl / Luxembourg

- Directed design of 10 luxury passive houses and high-yield real estate developments from design briefs to permit, securing Nearly Zero Energy Building (NZEB) certifications.
- Optimized team workflow by creating office tools, such as 2-week time-saving template for Cadastre Vertical projects.
- Managed budgets ranging from 500k to 4M, ensuring financial and operational efficiency.
